PROFESSIONAL EXPERIENCE

AI Project Manager, Capital Markets | Jan 2026 - Present | Finsight

- Lead AI product development for PRISM, an NLP-powered natural language query system (NLQS) built on a 2.3M+ data point capital markets database, delivering self-service bond and structured products analytics to institutional clients.
- Architect database storage infrastructure and validate query logic with analyst teams to ensure data integrity, accuracy, and scalability across large-scale fixed income datasets.
- Drive cross-functional delivery across engineering, product, and executive stakeholders; conduct client-facing demos with syndicate desks, buy-side analysts, and credit teams at top-tier financial institutions.

Intern For AI Development | Oct 2025 - Jan 2026 | Finsight

- Owned end-to-end delivery of an AI-driven prototype to automate corporate bond deal ingestion, aligning analysts, COO, and engineering on requirements, delivery milestones, and success metrics.
- Proposed automated workflow for parsing unstructured deal emails and large XLS/CSV files, including regex-based field extraction, multi-currency normalization, and AI-assisted classification to reduce manual analyst work.
- Designed and implemented a prototype interface using Node.js, PostgreSQL, Javascript, and LLM API's to align with Finsight's tech stack.

Lead Artificial Intelligence Consultant | July 2025 – Nov 2025 | Globe Life

- Architect and deploy AI-driven solutions using ML, NLP, and structured data analysis to automate risk assessment and streamline underwriting processes.
- Partner cross-functionally with underwriting, IT, and executive leadership to drive adoption of proprietary AI systems, improving decision accuracy and enabling revenue growth.

Licensed Insurance Supervising Agent | March 2025 – Oct 2025 | Globe Life

- Licensed life and health agent serving clients nationwide; promoted to Supervising Agent within 3 months for consistently exceeding performance and client satisfaction benchmarks.
- Delivered needs-based assessments, personalized policy recommendations, and virtual consultations.

Owner and Project Manager | March 2020 - October 2024 | Pithie Scapes

- Spearheaded the development of business culminating in a 20% increase in gross revenue each year.
- Grew gross revenue 20% YoY while concurrently managing up to 4 projects, leveraging data-driven insights to optimize operations and deliver tailored client solutions.

Certifications

- **AI Fundamentals** from DataCamp | Apr 2024 |
- **Artificial Intelligence in Project Management** from Alison | Jan 2026 |
- **Agile Project Management** from Alison | Jan 2026 |
- **JIRA Architecture** from Alison | Jan 2026 |

EDUCATION

Steinbeis University | Berlin, Germany
